Marian College Free Bus Service

Marian College operates two free bus services to Beechworth and Yackandandah. It is part of our commitment to our community to enable secondary students to continue their Catholic secondary education locally.

We will continue to grow and develop the service in line with the increasing numbers of student enrolments that we are attracting from regional areas.

Many families are experiencing the big opportunities that a smaller setting like Marian can offer. They are choosing our school because they value the individual care and attention to learning that you simply can't get at a larger school.

'Every Day is Open Day' at Marian College. For your own personalised tour of the school and to see what Marian offers, just contact the school to make a time.
